NAVIGATING THE WAY

You navigate through your life creating experiences.

During the tough times, you need a partner that will be by your side navigating you to safety. This is why the iconic watchful Turnberry Lighthouse, situated on the point of the Turnberry Golf Course, Scotland; rises out of the darkness to carefully guide vessels to safety, inspired us. Much like its steady and constant beam of light that shows ships their safe passage away from danger, our products aim to help our clients journey through life by helping them deal with medical expense shortfalls and co-payments that usually arise when you or one of your dependants is hospitalised.

Turnberry navigates the way through medical expense shortfalls, allowing you to create experiences in life.

You have a partner. **Turnberry. Navigating the way.**

WHAT IS GAP COVER?

Medical Expense shortfalls are a reality. Don't be burdened with unexpected medical fees when your doctor charges more than the medical aid rate for in-hospital treatment, or the hospital charges co-payments for operations.

Gap cover is a short-term insurance product that helps protect you from medical expense shortfalls, which happen when your doctor charges more than the medical aid rate for in-hospital treatment, or the hospital charges co-payments for operations. These unanticipated expenses can leave you with an unexpected financial burden that you will have to pay for out of pocket. With rampant medical inflation and the cost of medical procedures constantly increasing, this could easily run into hundreds of thousands of Rands.

As medical aids are under constant pressure to balance benefits with affordable contributions, they have had to resort to creative strategies to attempt to maximise coverage. This means that co-payments now exist where previously there were none, and members are now being restricted to using certain providers at certain networks, with penalties applied if patients go outside of these networks.

Gap cover has become an essential component of any financial portfolio to protect you against potentially crippling medical expense shortfalls, no matter how young and healthy you are. Often, it is the unforeseen that can result in the most significant medical expense shortfalls, but with gap cover in place you can protect your financial wellbeing alongside your physical health.

HOW DOES IT WORK?

Co-payment Cover

A co-payment or deductible is an upfront amount that needs to be paid to the:

before undergoing certain procedures, as specified by your Medical Scheme. When you experience a co-payment for a procedure or scan (as specified by your Medical Scheme) you would need to pay for the co-payment up-front and then claim the amount back from your Turnberry Policy (provided that the plan you selected offers co-payment cover).

Non-DSP Hospital Cover

Should you choose to go to a hospital or day clinic outside of your Medical Scheme's Hospital Network/ Designated Service Providers, you would be liable for a portion of the account, as specified by your Medical Scheme.

Example: Henry's Medical Scheme stipulates that he needs to go to hospital X, if he chooses to go to another hospital he would need to pay the first R8 700 of the hospital account. Henry chooses to go to hospital Y and pays the R8 700 and then claims it back from his Turnberry Premier Policy.

Medical Expense Shortfall Cover

A Medical Expense Shortfall is the difference between what medical service providers (e.g. Doctors, basic and specialised Radiology, Pathology, Specialists, Consumables) charge and what Medical Schemes pay for the treatment performed in hospitals and day clinics, provided that it is paid from the Hospital Benefit or risk benefit of the Medical Scheme.

Medical Expense Shortfall Cover includes cover for:

Specialists, Basic and specialised Radiology, Physiotherapy, Consumables (e.g. plasters, cotton wool etc), Pathology, Prescribed Minimum Benefits

Sub-limit Cover

SUB-LIMIT COVER

When a Medical Scheme will only pay for a certain procedure, prosthetic device or scan up to a specified limit, this is a sub-limit.

PATHOLOGY

Turnberry's sub-limit cover also includes cover for pathology if your medical scheme has an annual limit for pathology.

ROBOTIC SURGERY

Most medical schemes fund for robotic surgery up to a global fee, where all the treatment is capped at a rand value. Sub-limit cover, assists in these instances

INTERNAL PROSTHESIS

Includes but not limited to: prosthetic hips, intraocular lenses, stents, cochlear implants, heart valves, screws, rods, cages used in surgery, hernia mesh, pacemakers

Traditional Cancer Cover

If you have depleted your cancer benefit on your Medical Scheme, you may become liable for co-payments or the full cost of any further cancer treatment, as specified by your Medical Scheme.

Example 1: Johan who has lung cancer has finished his R250 000 cancer benefit available to him on his Medical Scheme and now he is liable for the full cost of his cancer treatment. Johan still needs to undergo chemotherapy sessions. Luckily, he has a Turnberry Premier Policy and he can submit the costs of his further chemotherapy sessions to Turnberry.

Example 2: Deon has finished his R250 000 cancer benefit available to him on his Medical Scheme and still needs to undergo chemotherapy. His Medical Scheme will pay for 80% of the account for his chemotherapy. Deon is glad he listened to his Financial Advisor and took out a Turnberry Optimal Policy, now he can submit the account to Turnberry.

Turnberry's Gap Cover significantly contributed in alleviating the burden and pressure of the unforeseen bills from the medical practitioners who charged above the medical aid thresholds. Gap Cover is no longer a luxury, but rather a necessity. I rate Turnberry' services as exceptional and would recommend their Gap Cover to my family, friends and anyone who is considering Gap Cover.

After years of not having Gap cover and Mountains of medical Bills charged at above scheme rates but when I signed up with Turnberry Gapcover, I have never been disappointed. Helpful, friendly, and always keeping me up to date with claims and processed. I am extremely satisfied and will recommend Turnberry Gap cover to all my friends, colleagues and family.

It is reassuring to know that Gap Cover covers co-payments and shortfalls, especially when the medical aid suddenly provides feedback on an authorisation that the admission comes with a co-payment of R6500. When you at the hospital and you don't have a choice you have to go with it. I am thankful that Gap cover helped with co-payments and shortfall for the 2 recent visits to the hospital. Take the gap cover and have peace of mind when it comes to hospitalization.

I have been on Turnberry for almost 18 years and have always been impressed with the promptness of claims process. I have always recommended it, and feel it is a necessity, which you cannot afford not to have in SA.

I could not believe how simple and straightforward the claims procedure was. All the information that was requested was immediately available via email. My submission was acknowledged within hours and I was kept abreast of the progress of the claim at each step. Nothing could have been easier. Thank you.

Their very professional and efficient service during a few consecutive and "tough" medical conditions helped us get through some difficult times by covering the financial gaps between the medical aid and the practice. Very glad I decided to take gap cover with Turnberry.
